Presentation title	<b>Tiimiakatemia – Top Unit of Entrepreneurship Education in Finland</b>
Short abstract * (include relation to the RESULTS/ACHIEVEMENTS bullet points of the seminar below)	<p>More action. More chaos. More mistakes. More learning. Tiimiakatemia is the Entrepreneurship Centre of Excellence of the JAMK University of Applied Sciences in Jyväskylä, Finland. In Tiimiakatemia students run their own cooperative businesses and once they have graduated, they embark on a trip around the world with the money made in their businesses during their studies.</p> <ul style="list-style-type: none"> <li>• 200 students, 11 team-companies</li> <li>• 1,500,000 EUR total revenue of team-companies</li> <li>• 91% of students are employed within 6 months of graduation.</li> <li>• 37% of students launch their own business within 6 months of graduation.</li> <li>• 47% of students are still entrepreneurs 2 years after graduation.</li> </ul>

	<ul style="list-style-type: none"> <li>• 150 completed projects for various companies.</li> <li>• 10% of projects have revenue of over 10,000 EUR.</li> <li>• 330,000 EUR of team-company revenues is returned to society as taxes.</li> </ul> <p>I graduated a year ago, I did the trip around the world and now I am living my dream as an entrepreneur. I want to share my story.</p>
Needed equipment	I have my own computer – I need a projector to show powerpoint slides (few pictures)
Language of presentation	English
