Mobility of Students for the Purposes of Studying**

[ERA 2]

Within the priorities set in the general call for proposals, the following information can be used

Objectives and description of the action

The **objectives** of Erasmus student mobility are:

- To enable students to benefit educationally, linguistically and culturally from the experience of learning in other European countries;
- To promote co-operation between institutions and to enrich the educational environment of host institutions;
- To contribute to the development of a pool of well-qualified, open-minded and internationally experienced young people as future professionals;
- To facilitate credit transfer and recognition of periods abroad, utilizing ECTS or a compatible credit system.

Specific conditions for participation are mentioned in the general call for proposal.

The student must be provided with an agreed, written [Learning Agreement](#) regarding the programme of studies to be followed abroad

At the end of the period abroad, the host university must provide the Erasmus student and the student's home university with a transcript confirming that the agreed programme has been completed and confirming the results
