

terrain seeks: „motivated interns“

terrain:

architects and landscape architects BDA

offers position for motivated interns in GRAZ, Austria.

We are offering positions for engaged and passionate student interns for sophisticated design project development.

Teampplay and high engagement, as well as outstanding CAD practice (preferably vectorworks) are a must.

Your interest in interdisciplinary working and thinking are a great PLUS!

We will be most thankful for meaningful applications to be sent to terrain: architects and landscape architects office@terrain.at
