**NEREA**

## *Job Description*

*Nerea Belgium S.P.R.L. is searching for a Networking system engineer to join its team in Brussels.*

*NEREA delivers solutions in the areas of ICT outsourcing and Customer Relationship Management (CRM). Client's needs are at the center of the company's customer service philosophy, which is based on 3 key principles: transparency (detailed service monitoring), an in-house project methodology which is integrated into the client's infrastructure and a personalized approach for every mission. NEREA's consultants apply the same quality management whatever the client's organization size.*

*NEREA delivers high value-added IT services covering the whole value chain: besides its own competencies in IT Consulting, CRM and project management, the company is surrounded by a strong recognised partners network: Microsoft, Frontrange, Belgacom, Starsysco, Sinople, etc. NEREA is Microsoft Gold Certified Partner.*

*This position requires working 85% on Nerea's office in Brussels, there is possibilities to intervene on with Nerea consultant to customer's site.*

## **Requirements:**

- *Knowledges in Microsoft Solutions: Windows Server (2003, 2008, 2012), Small business server (2007, 2011), MS Exchange, Windows 7 and 8.*
- *Familiar with network appliance configurations (switches, routing, Firewall, Wireless): Netgear, Cisco, etc.*
- *French and English languages are compulsory*
- *Very good communication skills*
- *Knowledge in SharePoint and CRM are considered as an asset*

**We offer:**

- Opportunities to quickly increase your technical competency base.
- Integrate a young and dynamic team.
- Will be followed and managed by an experienced consultant.

**Period:**

- September to December 2013
- January to July 2014

If this opportunity is the challenge you are looking for, please forward your application (letter and curriculum vitae), with the reference to H.R. department: [hr@nerea.com](mailto:hr@nerea.com)
