Further about us

Establishing

- European Prospect Ltd was created after the amalgamation of Vocational training Centre "Evoiki Anaptixi" established in Chalkis (80 km North from Athens) with the training and consulting company "European Prospect", established at Heraklion - Crete.
- Activities are carried out at three centres as following:
 - At Chalkis,(very closed to Athens)
 - At Heraklion town, the capital of Crete island.
 - At Moires town, at the South part of Heraklion - Crete, one of the most historical ancient places in Europe.

Main purpose - Activities

The main purpose of the company is:

- To promote LLL programs for adults. (design, execution, evaluation)
- To Participate in European Forums, exchanging, developing and innovating experience, skills and methods.
- Research and development activities.
- Consultative to public and private companies.
- To promote unemployed people to the labour market.
- To act as hosting organization in European Mobility projects

Certifications

- We work under the certification of the Greek Ministry of education.
- We fulfill all the special specification put by the Greek State (in compliance to relative European guides), regarding Lifelong Learning.
