

Internplacements Ltd is a recruitment agency based in London born with the aim to match companies' needs to the interns' desire to enhance their professional profile.

What we offer

- **CV and cover letter revision or build up;**
- **Interview** firstly with us to test your skills and secondly with the host company;
- **Tier Five visa assistance;**
- **Constant support** in preparing all the documents required to formalise your experience (**Erasmus, Leonardo Training Agreement** and any other certificate) or for whatever problem that may arise during your internship;*
- **Reference letter** at the end of your placement;
- **18+ Oyster Students Photocard** for up to 30% discount on transports in London;
- **Induction Day** on your first week in London;
- **Assistance in the accommodation search;**
- **Partnership with some schools of English** in Central London in case you are interested in attending an English course;

- **Constantly monitoring** from the very beginning to the end of your internship;
- **Efficiency** in offering a high-standard quality service, accurately selecting the host companies;
- **Supervising**, ensuring that a tutor is assigned to you prior to the beginning of the training who liaises with our staff, coordinates the placement and is thus responsible of supervising you during the Internship;
- **Mid and Final Feedback** from you to get as much information as possible from your work experience;

*Not satisfied with the host company? Let us know and we will work out the best solution for you.
