

Expand your international cooperation. Study, teach and research in Slovenia.

We kindly invite you to cooperate and exchange your knowledge with Slovenian educational institutions!

The programme **Slovene scholarship fund** offers you this exceptional possibility to exchange teaching techniques and best practices at Slovenian institutions of primary and secondary education and work with their representatives. During your stay you can share your knowledge and enable the transfer of your expertise to colleagues, pupils, educators, teachers, etc.; and at the same time enjoy the beautiful scenery that Slovenia offers.

Find a Slovenian partner and apply for funds to ensure sustainable growth of yourself and your field of expertise.

Bring an added value to your institution. Expand international cooperation.
