

THE SALON OF FURTHER EDUCATION – 10th Annual

BIZNISUITE CONGRESS CENTRE TECHNOPOL

October 26th -27th, 2011, Bratislava, Slovakia

The Salon of Further Education is a unique event of its kind in Central Europe to meet the professionals in the field of HR, directed at further education and human resource development. Foster the exchange of views and experience between training, consulting companies on one hand and managers and human resources specialists on the other.

The Salon is designed for

- managers and HR professionals, staff and personnel clerk,
- educational and consulting companies,
- lecturers, consultants, advisers, coaches,
- congress services providers.

The Salon Objectives

- to present case study, new trends, projects, methods, forms of further education in SK, CZ and EU,
- to provide space for formal and informal meetings, individual consultations, exchange of experience,
- to obtain new contacts, information, inspire each other,
- to present congress services through exhibition.

Uniqueness of the Salon

Creates a platform for discussion with experts on current topics:

- to improve the quality of supply services for HR (benchmarking suppliers) and to improve mutual communication,
- to facilitate customer orientation in the menus, choosing the right educational program, tutors, counseling and other related services,
- How to orientate further routing of the Catalogue Education.

Don't miss

- chair for guest
