

BRITISH SCHOOL PISA s.r.l.
COMPANY PROFILE

Established in 1978 and based in central Pisa, The British School provides serious, in-depth English language courses at every level. Along with its Pontedera branch, the School organises courses for all kinds of student, from the youngest (Nursery and Kids' courses) to teenagers and adults. In addition, the School holds specific Business English courses for corporate clients across Tuscany. With an average of 800 private students, we provide effective English language courses, and not only that: in addition to English, The British School offers one-to-one or group courses in French, German, Spanish, Japanese and Chinese.

In its 38 years in the business, the British School has earned several training and educational certifications. Principal among these is our Quality Certification, awarded in 2004 (ICIM Certificate 3718/1). Since that year, too, The British School di Pisa has been a regionally-accredited Training Centre – no. PI 0331. Starting from even earlier in 1999, The British School has been the only licensed University of Cambridge ESOL examination centre for the provinces of Pisa, Lucca and Grosseto.

Our teaching staff are all highly-qualified native speakers and certified foreign language teachers. Traditional learning materials, combined with an effective, cutting-edge methodology, make ours one of the best and most highly-regarded schools in Tuscany.

Our corporate clients include: Scuola Superiore Sant'Anna, Azienda Ospedaliero-Universitaria Pisana, Dolce & Gabbana, Continental Automotive Italy SpA, the National Research Council of Italy (CNR), the Italian Airforce, Sofidel SpA, Saint-Gobain SA, Smurfit Kappa Italia SpA, Abiogen Pharma, Svenska Cellulosa Aktiebolaget (SCA), The University of Pisa, Carrefour SA, The Province of Pisa, The Chamber of Commerce of Pisa and the Italian National Institute of Geophysics and Vulcanology.
