

# WANTED

**What:** School class for educational/cultural exchange. We are offering a week's skiing camp in the magical Principality of Liechtenstein and would like to experience an outdoor/sports/cultural week in your country.

**Who:** Erasmus+ year 2014/2015 – Secondary School, 7th Grade,  
13 to 14 year olds.

Dear Sirs or Madams!

We are a secondary school in Liechtenstein and we are looking for a school class or two school classes combined (20 to max. 30 students) in **your region** that wants to share an **unforgettable experience** with us. With the Erasmus+ scholarship you and your class will be able to benefit from intercultural exchange and spend one week of outdoor experience and sports. Students will get to know each other and we will focus on mutual understanding, on learning from another culture and on sports and health topics.

## Overview of the project

- Project funded by EU-Erasmus+ program. All expenses are covered.
- Time schedule:
  - One week in Liechtenstein: your group will spend one week in Liechtenstein during the winter season 2015 (January or February). This **sports and intercultural camp** will take place in a mountain resort, including different winter sports, professional skiing trainers, team building activities and lots of possibilities to learn from each other etc.
  - The group from Liechtenstein will come to your country for one week in May or June 2015
- We focus on the following topics: Intercultural understanding and learning, communication via ICT, getting to know each other, nature, sports and health.
- For the week at your location we are of course open to your suggestions and ideas!

## What we offer:

- Your school will have minimal administrative work because the whole application process for the EU-grant will be managed by our school team.
- We have the opportunity to visit your school in advance to get in touch and to discuss the planning and the details of the project.

If you want to know more or you would like to discuss to discuss in detail then please contact us!

We then send you our detailed plan and give you any further information that might be important for you to decide.
