

MIB School of Management

An international center for advanced learning

MIB School of Management, based in Trieste Italy, is a center of advanced education, satisfying the demand for managerial competences both for young graduates as well as for entrepreneurs and managers.

MIB develops educational programs of high quality, strongly oriented to the specific needs of the labor market, with impressive job placement percentage (92% - average 2009).

MIB offer ranges over MBAs, Executive programs, specialization courses, Masters of Science in Tourism, Insurance, Finance and Risk Management.

MIB is known as one of the best Business Schools in Italy, with a strong rooting in Europe, creating educational programs capable of attracting participants from all over the world.

Scholarships to develop the best talents

MIB School of Management is committed to helping talented candidates with a strong CV attend an MBA or Master's program.

Thanks to the contribution of company sponsors who are looking for young talents to place in their organization, MIB School of Management is able to offer numerous scholarships, awarded as a full or partial exemption from MBAs and Masters tuition fees. Scholarships are awarded based on merit and on specific requirements indicated by the company funding the scholarship.

Indeed every year a significant number of highly talented participants coming from outside Italy attend MIB programs: today about 65% of our student body.
